Learning Objective

Develop movement vocabulary to represent an old sailing Ship

Starter

Discuss the various types of movements that would be used to sail a ship.

Warm up ♪ Volume 5, track 13 'Playing a Round'

All in own space:

Walk in a marching style to the beat of the music. Call out instructions such as pulling ropes, hoisting the rigging, sweeping the deck and rowing, to be performed rhythmically in time with the music. Ask for further suggestions of activities that might take place on a sailing ship.

Collectively create movements that can be linked together for a warm-up routine.

Main ♪ Volume 5, track 5, "Setting Sale"

In twos, put together a phrase of movement that follows the following pattern:

- A** Walk randomly around the space for 12 counts, all walk towards the front of the room for 4 counts
- B** Create 16 counts of sweeping: use travelling, changes of direction and try to be creative with your sweeping.
- C** Create 8 count of pulling rope: use a variety of speeds e.g. a slow 4-count pulling action followed by 2 shorter 2-count pulls.
- D** Create 8 counts of movement to hoist the rigging. Repeat to create 16 counts.
- E** Divide the class into two groups; watch each half perform and give positive feedback and suggestions for improvements for next week.

Cool Down

Begin in own space. Walk around room to beat of music. Teacher to tap each pupil on shoulder; tap pupils once to freeze in a position used in the lesson, keep tapping pupils until all frozen in one large tableaux.
